

Matters Arising, Actions List and Use of Delegated Authority

Note this section is for reporting only, no additional decisions or discussion may be made at this meeting on any of these items other than task allocation.

Reporting (no further action required)

November 2018

Description	Date/ref.	Status
Cemetery extension	2015/197	On going as required
Speed reducing gates in High Ditch Road		Order placed by Cty. Cllr Bradnam. No further information
Church wall survey		No response from surveyor regarding costs of digging by hand and date for work. Requests for information have been made.
Noise nuisance		District Cllr Daunton will report on this
Temporary Prohibition of Traffic		Notification has been received has been received and advertised of Temporary Prohibition of Traffic approximately 100m from the junctions of Ditton Lane, High Street, Horningsea Road and High Ditch Road. Anticipated that the works will be carried out between 12 November and 14 November 2018 and 7 January and 15 February, 2019. Access will be maintained to properties affected by the closure.
Excessive traffic in and use by HGVs of High Ditch Road		Reports, supported by photographs, of excessive traffic and HGVs have been reported to the Council. These have been forwarded to the teams in District and County Council, by the respective councillors, who have responsibility for reviewing the works and impact of the work on the A14. They have been advised that there is 'regular and ongoing discussions between Highways England and Cambridgeshire County Council concerning the volume and nature of traffic travelling through a number of villages and other unsuitable routes in the City'. The police have been passed information regarding HGV usage of High Ditch Road and have been requested by SCDC to add High Ditch Road to the tasking list where they focus their resources to check non-compliance. Cty Cllr Bradnam will report further

Matters Arising, Actions List and Use of Delegated Authority

The Dock/The Cut		<p>Bidwells, as agents for Gonville & Caius and Jesus, reported that, after consulting the Land Registry, 'it appears that the western part of that triangle is registered to Caius. The eastern part nearest the Jesus land (including the whole of the track from the end of the high street, until it bears left toward Ditton Meadows) is unregistered, as is the majority of the inlet.'</p> <p>Additionally I have suggested that Cam Valley Forum produce a poster for displaying in Fen Ditton regarding the issue of pennywort and the possibility of a local volunteers to assist with clearance. They are also in contact with Bidwells and have been given advice by SCDC on Wildlife Enhancement Scheme grant.</p>
Cemetery Management Programme		Attended by Mark Easterfield – to report
